Wyoming Humanities Council invited us to a focus session to discuss future of non profits March 20st & March 21nd . Future of public history in Wyoming. Hoping to find ways to work together and assist each other.

Survey: dues

This question was brought up to standardize chapter dues to make online payments easier.

Concerns about annual billing vs anniversary billing. Some chapters expressed paying less for dues would work for them. It was suggested that the state should set the county dues. Online standardization is supported across the board. Amount to standardize to, is not agreed upon.
