Shuffle off to Buffalo….

The Johnson County Historical Society is pleased to host the Wyoming State Historical Society’s Annual Meeting over the September 9-10 weekend. Attendees will have opportunities to tour historic sites, browse Buffalo’s downtown and residential areas, and more. Much of the event will be held at the locally celebrated, newly expanded and renovated, Johnson County Library and at the Bomber Mountain Civic Center, which has recently been converted from an elementary school. Both locations offer comfortable seating, handicapped access, and good parking areas.

The chapter has planned a variety of activities in which participants can partake, but have also allowed for free time to discover the area on your own. To give you an idea, some of the activities include a tour of historic Fort McKinney, now the site of the Veterans’ Home of Wyoming. There will be an afternoon program showing photographs of the Bighorn Mountains taken in the 1920s and taken again within the last five years for comparison. This program highlights some of the majestic locations within the Cloud Peak Wilderness area and offers a glimpse into the appearance of those same locations ninety years ago.

Chapter representatives and attendees will have an opportunity to attend a workshop presented by WSHS board member Doug Cubbins about how chapters can garner youth interest in Wyoming’s diverse history. There will be a Friday evening reception hosted by the Johnson County Jim Gatchell Memorial Museum with time for folks to tour the museum, enjoy hors d’oeuvres, and catch up with their fellow historical society members. Museum exhibits feature histories of the Johnson County Cattle Wars, the Basque culture in Wyoming, the Bozeman Trail forts and Indian Wars, and more.

The general membership meeting will commence Saturday morning, followed by the annual Awards Luncheon and President’s Dinner with good food and entertainment. All of the activities are planned for Friday and Saturday, leaving Sunday open for return travel and visitation of other sites. See you in September!
The Wyoming State Historical Society, a non-profit, membership driven organization, encourages the study of Wyoming history. We believe to study the past is to understand the present and prepare for the future. Our vision is to insure that Wyoming’s past remains accessible to present and future generations.

Bridget Burke, the new director of the American Heritage Center started her new position on
June 13. She has already joined the Society, and I am looking forward to working with her. Of course
this also means that Rick Ewig is retiring and I have enjoyed working with him at the AHC for many
years and will miss having him there. He has been a wonderful mentor to me as I moved into the presi-
dency and want to thank him for his leadership both at the AHC and in the WSHS.

While it is only July, we do need to think about the events coming up and this includes the annual
meeting in Buffalo the weekend of September 9th. Chapter officers, please consider attending. This is
your opportunity to network with other chapter members and learn about programs available and share
with the membership your wonderful work from the year. As a member of committees and later as presi-
dent of the Albany County chapter, I really enjoyed attending the annual meeting as well as the board
meetings throughout the year. It provided me the opportunity to get to know many of you and it really
does aid in the management and direction of the society. I hope that we will have good representation
from the chapters in Buffalo. Thank you to members of the Johnson County Historical Society for spon-
soring the annual meeting. It would be wise to book your rooms now; that information is on page eight
of this issue. Registration information, ballots, and Bylaw changes will be published in the August issue
of Wyoming History News.

Have a happy Fourth of July!

In Memory….

Long-time WSHS/Natrona County Historical Society member, Joe Shickich, died on May 20, 2016. Joe was a proud veteran who played trumpet in the Army Band, and saw active service in WWII as a Staff Sergeant in the 70th Reconnaissance Troop. A graduate of the University of Wyoming, Joe lived and worked in Casper for many years, until his retirement in 1984. He served his state in many capacities, and was an active citizen in Natrona County. He and his wife, Lois, loved to travel, and he was known to all as someone who loved his family. Together they gifted each of their children with a membership in the Society. He is survived by his wife of 63 years, and by four children and five grandchildren. Our condolences go out to the family.
A glimpse along the trails of Platte County...

More than 80 people (members and guests) from Wyoming, Colorado and Montana enjoyed the 2016 Trek hosted by the Platte County Historical Society. Chapter president Patsy Parkin said, “How do you begin to say thank-you to all the volunteers who planned and worked for six months to get ready for this big event, then planned and worked hard during the event, and to all the food providers who cooked and served excellent meals to all the participants; to all the knowledgeable people who shared their expertise with us from beginning to end and from one end of the county to the other, and to the wagon drivers, their horses, and the bus drivers...there is no way except to say ‘THANK YOU!’” A special thanks to WSHS member Richard Kutz who willingly shares his photographs of the weekend...enjoy:
**Good News…**

Our contact at the Internal Revenue Service tells us that our case is now “closed,” and that we will be receiving official notification within the next two weeks that our non-profit status (and that of the chapters) has been fully restored. This has been an epic chapter in the history of the Society, and one we can honestly say that we’re thankful it is over.

President Tamsen Hert has sent a letter containing critical deadlines to each chapter president, secretary and treasurer. Please heed these deadlines as they are considered mandatory in order to continue our non-profit status (and that of the chapters). Questions? Call Society headquarters at 322-3014 or linda@wyshs.org.

Future historians recently enjoyed attending summer history camp sponsored by the Wyoming Veterans Memorial Museum and the National Historic Trails Center in Casper. Here they are learning the technique of using a metal detector!

**Rick Ewig Legacy Fund**

As many of you know our friend and long-time editor of *Annals of Wyoming*, **Rick Ewig**, has retired from his position at the University of Wyoming’s American Heritage Center after 24 years of truly selfless service. Rick has been an active member and former treasurer and past president of the Wyoming State Historical Society; in addition to serving as Annals editor for more than twenty years. He is an acknowledged expert on Wyoming and a published author on the state’s history. He is also very dedicated to Wyoming History Day; and has accompanied the students to Nationals since at least 1982.

In recognition of all that Rick has done for the AHC, the University, the Society, and the state in general, the “Rick Ewig Legacy Fund has been established. A nice caveat of the fund is that Rick can choose where he would like to apply the fund.

Donations to the fund can be made through the UW Foundation online; by mailing a check; through direct deposit or payroll deduction if you’re a UW employee, or through a transfer of securities. To make a donation go to www.uwyo.edu/foundation and click on “Ways to Give on the left side of the page under “Foundation Home.” There you will find an online giving form. If using the online form choose the American Heritage Center in the pull down menu under “Gift Designation” and then specific the “Rick Ewig Legacy Fund.” For questions contact Tyler Spear at 766-3901 or by e-mail at speart@uwyo.edu.

The Society’s Executive Committee voted to donate $500.00 to the fund in honor of Rick’s past and continuing service. He will continue as Annals editor!

Thanks to WSHS member **Lesley Waggener** for this information.

*Thank YOU, Rick!*
